

Seeking a Sponsor or Sponsee? - Sponsor Meet and Greet Saturday, May 1, 2021, at 03:00 PM PST

Forwarded From April at the BC Regional Service Committee:

Hello, my fellow Nar-Anon Members,

Many members across the region have been discussing sponsorship in these ever-changing times and the new reality that zoom places us in for connecting with a sponsor.

It is challenging for most, to say the least. It is my hope to connect the various groups in our region through sponsorship. I have decided to host a zoom webinar as a meet and greet to hopefully bridge this gap and find a solution to making connections for sponsees and sponsors.

FOR THE SPONSOR:

If you consider yourself as someone who is available to take on a sponsee, no matter where in the region you are attending, I beg you to register for this meet and greet. When you register you will be asked to register as a sponsor. After I receive your registration, I will follow up with more details. The short of how it will work is the available sponsors will take turns introducing themselves, share their experience strength and hope, and tell us why they sponsor. Also, you will be asked to explain what your boundaries and conditions are as a sponsor. After you present, I will share your preferred contact in the chat. Future sponsees will then have the option of reaching out to you in their own time if they resonate with you.

FOR THE SPONSEE:

First you need to register with the link. You will be asked to register as a sponsee. At the meet and greet you will have the opportunity to listen to the sponsors share their experience strength and hope and learn the boundaries and conditions the individual has for being a sponsor. It will be up to you to listen and see if anyone resonates with you. If you do find that someone is resonating with you, it will be your responsibility to connect with the sponsor in your own time after then meet and greet and ask them if they would be your sponsor. Keep in mind that not everyone you ask first will say yes. Do not be defeated, continue to ask other sponsors. After all, a no is just your higher power's way of saying there is a better match for you.

There is no guarantee you will find a match, but none-the-less we will talk about sponsorship and sponsee relationships and there will be a lot to learn and gain from this experience regardless.

If you have any other questions please do not hesitate to ask.

Much Love and Many Blessings,
In-Service,
April
A Grateful Member of Naranon.
